Foro de Discusión

Participate in the Discussion Forum on: What types of applications of Internet technology and networks do you know? Briefly explain your experience in using them.

Instructions:

- Write a paragraph no larger than 12 lines.
- Use the [APA Standards](#).
- Make contributions strictly related to the topic under discussion and the line of debate.
- This is to discuss with the professor and peers.
- Do not write everything in capital letters, as this is interpreted online as YOU ARE SCREAMING!
